A group listing does not constitute or imply an approval or endorsement of any group's practice of the A.A. program. Tradition Four says, "Each group should be autonomous except in matters affecting other groups or A.A. as a whole." Hopefully every A.A. Group adheres closely to the guiding principles of the Steps, Traditions, and Concepts.

A.A.'s Traditions suggest that a group not be named after a facility or person (living or deceased), and that the name of a group not imply affiliation with any sect, religion, organization or institution.
